Welcome to the 21st Century's Self-Care and Self-Education Revolution! Let me start by explaining the meaning of 'Foundation' from a 1919 New Century Dictionary of 3,000 pages, which happens to be one of my favorites:

Foundation: the act of founding, setting up or establishing, the natural or prepared base upon which something rests or is held up by; also, a donation or legacy for the support of an endowment."

DTI Foundation Membership is about becoming an Original Founder (one who founds or establishes) of the two Revolutions, in this the 21st Century. It demonstrates that together we can eventually impact the global community with the principles of Autonomy, Liberty, and Self-Reliance.

Thanx for being family,

Don.

Yes! I would like to join Don Tolman as a founding member of the Self-Care and Self-Education Revolutions and to stay in touch with Don on a regular basis.
