

When planning an event, why expose your business to just the guests you invite?

Publicity and Promotion should be on the top of your list when organising an event, not the last!

Work with the team at Creative Jungle to ensure your event obtains maximum exposure through our diverse print and digital media distribution network. Creative Jungle is the main supplier of social photography to local hotspot www.thejuice.com.au along with print publications Life Gold Coast, Coast Magazine and Sunday Mail. Combined, they have a circulation of over 530,000 readers and a minimum of 112,000 unique website visitors per month.
