Proceeds raised at the Dream Workers
Day at the Races 2012 will go to event
beneficiary, Matilda.

A beautiful 3 year old girl needs your urgent help

Matilda (Tilly) is a delightful, cheeky and intelligent 3 year old with Cerebral Palsy who lives on the Gold Coast with parents Angie and Andy and her four month old brother Rudy.

Tilly's Cerebral Palsy affects all four limbs meaning she has significant difficulty controlling and utilising the muscles throughout her body. This means simple things that we take for granted are a struggle for Tilly, such as sitting, crawling, walking, using her hands and verbal communication.

Tilly's needs are high and she requires full assistance with feeding and all her daily activities. However with early intervention, equipment, specialised care and hard work, outcomes for her future can be enhanced.

Tilly has an able mind but not an able body, which is frustrating for this little girl, as she is a determined and strong willed person.

For a 3 year old, Tilly is a pretty busy social girl. Tilly has a week jam-packed as mum Angie and Rudy travel with her to Brisbane twice a week for Tilly to attend "Xavier Special School. This school has a "Conductive Education" programme where Matilda works on her movement. Tilly also has regular visits to her Physiotherapist, Speech Therapist, Occupational

Therapist and she often sees a Chiropractor, Dietician and Naturopath and she does many hours of play based therapy at home with her mum too.

It's going to be a long road for Tilly and her development but parents, Angie & Andy say: *"we will go to the end of the earth and back for our children, so we are dedicated to helping Tilly be the best she can be."*

Costs of equipment for children with a disability are simply unaffordable for a young family without financial help.

Currently Tilly is needing the following items:

1. A manual wheelchair
2. A standing frame

These 2 pieces of equipment will make it easier for Tilly in all day to day activities. It will also enable her to be easily included in activity at preschool, which she starts in 2012.

Dream Workers are helping Tilly to receive this much needed equipment, but we can't do it without the help of the Gold Coast Community.

We are in need of donations for Tilly

Any donation, no matter how small will help to make a huge difference to Tilly's life.

All donations over \$2 are tax deductible.
